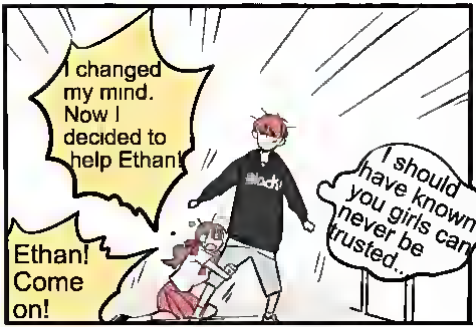
This is not like what we've agreed on before.



I changed my mind. Now I decided to help Ethan!
Ethan! Come on!
I should have known you girls can never be trusted..

Let me through, we're still on the same team!
No, I can't... Ethan.
Why not... Didn't you say this is only a game?
Idiot, be quiet.
Cool

Get away from me! You are so annoying!
Don't you want to add more fun to the show?
